

Learning guide: Using a touchscreen

This session is a blend of online learning using Learn My Way and online practise activities.

Resources

- A touchscreen device with internet access.
- A Learn My Way account ([learnmyway.com](https://www.learnmyway.com)).
- Words with Friends (free app available for Android and iOS).
- Candy Crush (free app available for Android and iOS).

Learn

- How to use the touchscreen e.g. tapping, pinching and swiping).
- How to unlock the device.
- How to rotate the device/display.
- What apps are and how to open them.

Do

- Have Learn My Way open on the touchscreen device.
- Navigate to the Learn My Way subject **Using your device**.
- Complete the following topics:
 - **Basic touchscreen controls**
 - **Advanced touchscreen controls**
 - **Common touchscreen features**
- Practise using the touchscreen with the **Words with Friends** app or **Candy Crush** app.
- Open the **camera** app on the device and take a photo. Practise rotating the image and zooming in and out.

Reflect

- Can you remember key information? e.g. move between screens, select something, zoom in?
- Would you be able to show someone else how to do it?

Next steps

- Complete the other topics in the **Using your device** subject.
- Practise using the camera, Words with Friends or Candy Crush apps.
