

## Learning guide: Video calling

This session is a blend of online learning using Learn My Way and offline practise activities.

### Resources

- A device with internet access and a camera.
- A Learn My Way account ([learnmyway.com](https://www.learnmyway.com)).
- The “Guess the logo” and “How can video calling help?” handouts (see later in this guide).

### Learn

- What video calling is and how it’s done.
- How to download and register on various video calling applications.
- How to add a contact.
- How to start and end a call.

### Do

- Have Learn My Way open on the computer.
- Navigate to the Learn My Way subject **Staying in touch**.
- Complete the topic **Basics of video calling**
- Complete the **Guess the logo** activity. Discuss the outcome with your tutor.
- Complete the following topics:
  - **Video calling with Facetime**
  - **Video calling with Skype**
  - **Video calling with Messenger**
  - **Video calling with WhatsApp**
- Complete the **How can video calling help?** activity. Discuss the results with your tutor.

### Reflect

- Can you remember how to do certain things, e.g. how to start a video call, or how to turn the camera on and off?
- Would you be able to show someone else?

### Next steps

- Complete the other topics in the **Staying in touch** subject.

## Match the logo

Match the social media logos to their names. You can do this by drawing a line from the image to the words.

<b>Twitter</b>	<b>Skype</b>	<b>LinkedIn</b>	<b>Instagram</b>
<b>YouTube</b>	<b>WhatsApp</b>	<b>Messenger</b>	<b>TikTok</b>

---

## How can video calling help?

List the ways that video calling programs/applications can help the people below.

<b>People</b>	<b>How can video calling help?</b>
<b>Atif</b> He has been looking for a new job.	
<b>Julie</b> She has a few health issues and can't always get out and about.	
<b>Martin</b> His friends live too far away to visit.	
<b>Aisha</b> She has got a new smartphone and wants to connect with her friends.
